

CERTIFICATE OF COMPLETION

This certificate is awarded to

Mark Cabrera
The Healing Signal

Issued on August 28, 2026

This certificate recognizes the successful completion of advanced training in inflammation, immune regulation, and tissue repair, including research-informed knowledge of BPC-157, TB-500, Thymosin Alpha-1, and LL-37, with emphasis on biological mechanisms, safety considerations, and responsible research-use principles within the RUO framework.

Doniphan Stone
Founder & CEO

Certificate no. fa7272e9

Expires on August 28, 2028
